

This worksheet utilizes approximate costs we expect our students to encounter during the 2019–2020 academic year. Use this document to assist you in estimating the amount of your and your family’s contribution toward your expenses.

Estimated university billed charges

	Sample	Your Calculation
Tuition	\$54,250	\$ _____
Student Activity Fee (\$542), Health and Wellness Fee (\$500)	\$1,042	+ _____
Student Health Insurance	\$0 (opt out)	+ _____
<p>Each student is required to have health insurance. Each year, students are automatically enrolled in the basic student health insurance plan. Students are allowed to “opt out” of the plan by providing proof of comparable coverage. For more information, visit shs.wustl.edu.</p>		
Housing Charges	\$11,650	+ _____
<p>Various housing options are available. This is the estimated cost for a Modern Double.</p>		
Meal Plans	\$5,250	+ _____
<p>Meal plans vary by price according to the student’s dining needs. This is the estimated cost for the Silver Meal Plan.</p>		
Estimated total university billed charges	\$72,192	= \$ _____

Your financial assistance

Include the scholarships, grants, and student loans included in your award. You should also include any outside scholarships you know about at this time. **Do not include anticipated Federal Work-Study earnings.**

- _____

Anticipated amount due to the university

= \$ _____

Estimated other expenses, not billed by the university

Books, supplies, and miscellaneous

+ _____

Consider your personal costs for each category below. These costs will vary, depending on your specific needs. The following estimates are based on a survey of current Washington University students: Books and supplies (estimated: \$1,126), Miscellaneous (estimated: \$2,246), Travel (estimated: \$1,346)

Other resources

Student summer earnings

- _____

Subtract the amount of your estimated summer 2019 earnings that you expect to save toward your university costs in 2019–2020.

Student part-time job earnings

- _____

Subtract your anticipated amount of Federal Work-Study or other earnings during the 2019–2020 academic year.

Your other resources

- _____

Subtract the contribution that can be made from your savings, your 529 plan, other assets, and benefits. Remember that some of these savings and other assets may be needed in your upperclass years.

Your family’s total estimated responsibility*

= \$ _____

This amount is an estimate of your and your family’s total responsibility toward your Washington University education in the 2019–2020 academic year.

* We are committed to making Washington University a financial reality for you and your family. Please contact our office at (888) 547-6670 or consult the *Financial Information for Parents & Families* brochure that will be mailed to you in the spring for detailed information on the options available to help meet your family’s contribution. We want to hear from you!
