Use this worksheet to estimate the amount of your and your family’s contribution toward your expenses in the 2020–2021 academic year.

### University billed charges

<table>
<thead>
<tr>
<th>Item</th>
<th>Sample</th>
<th>Your Calculation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Tuition</td>
<td>$56,300</td>
<td>$_________</td>
</tr>
<tr>
<td>Student Activity Fee ($562), Health and Wellness Fee ($524)</td>
<td>$1,086</td>
<td>+_________</td>
</tr>
<tr>
<td>Student Health Insurance</td>
<td>$0 (opt out)</td>
<td>+_________</td>
</tr>
</tbody>
</table>

Each student is required to have health insurance. Each year, students are automatically enrolled in the basic student health insurance plan. Students are allowed to “opt out” of the plan by providing proof of comparable coverage. For more information, visit [shs.wustl.edu](http://shs.wustl.edu).

| Housing Charges                                                     | $12,000      | +_________       |

For planning purposes only, select the type of room you will most likely rank first on the Housing Preferences Form.

- Traditional: Double $11,512, Single $12,986
- Modern: Triple $12,000, Double $12,000, Single $13,336*

*Available only to upperclassmen and students with documented medical needs

| Meal Plans                                                          | $5,402       | +_________       |

Meal plans vary by price according to the student’s dining needs. Incoming first-year students may choose from the following plans: Silver Plan $5,402, Gold Plan $6,274, or Platinum Plan $6,832.

Total university billed charges: $74,788 = $_________

### Your financial aid

Include the scholarships, grants, and student loans included in your award. You should also include any outside scholarships you know about at this time. Do not include anticipated work-study earnings.

- ___________

### Anticipated amount due to the university

= $_________

### Estimated other expenses, not billed by the university

Consider your personal costs for each category below. These costs will vary, depending on your specific needs. The following estimates are based on a survey of current Washington University students:

- Books and supplies (estimated: $1,126), Miscellaneous (estimated: $2,246), Travel (estimated: $1,346)

= ___________

### Other resources

- Student summer earnings
  Subtract the amount of your estimated summer 2020 earnings that you expect to save toward your university costs in 2020–2021.
  - ___________

- Student part-time job earnings
  Subtract your anticipated amount of work-study or other earnings during the 2020–2021 academic year.
  - ___________

- Your other resources
  Subtract the contribution that can be made from your savings, your 529 plan, other assets, and benefits. Remember that some of these savings and other assets may be needed in your upperclass years.
  - ___________

### Your family’s estimated responsibility*

This amount is an estimate of your and your family’s total contribution toward your Washington University education in the 2020–2021 academic year.

= $_________

* We are committed to making Washington University a financial reality for you and your family. Please contact our office at (888) 547-6670 or consult the Financial Information for Parents and Families brochure for detailed information on the options available to help meet your family’s contribution.
